**Grand Beach Holiday Committee Meeting**  
**May 3, 2024**  
**11a EST/10 cst**

1. Molly Newell called the meeting to order at 11:05a EST/10:05a cst.
2. Roll call was taken: Sally Barnes, Molly Newell and Nancy Wendling were present. Jackie Collins and Jean Ferguson were absent. No one from the public attended.
3. The agenda was approved, moved by Sally Barnes and seconded by Nancy Wendling.
4. Molly Newell will serve as the interim scribe and chair until we have more attendees at the meeting.
5. New Business was discussed at a macro level. We discussed the idea of focusing on a few key efforts and doing them well vs covering every holiday our first year. We had thought starters about Thanksgiving (Turkey Walk/Trot) and the December holidays (decorating, caroling, tree lighting, potluck). We also discussed the possibility for fundraising and donations. We agreed a survey from the community may be a good idea to better hone interest from the community at large.
6. Next steps include:  
Nancy Wendling speaking to the Maintenance crew to see about electrical feasibility at the arch at the entrance of GB as well as the evergreens on the driveway of the Village Hall.  
Molly Newell contacting Diane Cody about the possibility of creating a survey to gauge the community's interest in various holiday events.
7. The meeting was adjourned at 11:45a EST/10:45a cst.
