7. New Business

Walder shared with the group that he and Pete Doerr had attended a presentation by the Michigan Coastal Management Program. We decided we'd place the topic on our next meeting's agenda, and that Harry would share information gained with the PC and the Village Council.

8. Public Comments – General

Pete Doerr was the only non PC member in attendance and he commented on the Michigan Coastal Management Program. Pete noted that GB currently does not have a plan in place for Lakefront Erosion and Highwater, and that we should start to develop and formalize an action plan. The discussion led to a suggestion that we explore obtaining a grant to develop an action plan for the lakefront.

9. Adjournment

Kegan motioned to adjourn, seconded by Bracewell. Motion carried unanimously 5-0.

With no further business, the meeting was adjourned at 8:40pm EST.

Respectfully Submitted,

Robert Kegan, Planning Commission Secretary
